We are going to visit ConocoPhillips World Headquarters at Houston's "Energy Corridor" in the afternoon of Tuesday, July 30th.

ConocoPhillips (COP) ask that their **Visitor Safety Orientation** be viewed by all new guests. Please view the four-minute video prior to departure via the link <http://www.conocophillips.com/about-us/how-energy-works/doing-business-with-us/visiting-energy-center-3/>. At the end of the presentation, you will be prompted to enter your name and company ("University of Houston"). When this information is submitted, your information is recorded in the visitor database and a certificate is routed to your local printer, if one is available. During registration, please provide the certificate print-out or cell phone image along with your **photo ID** so your visitor access badge can be issued. If the "Submit and Print" does not work, please take a picture of the screen prior to submit. (I cannot get this to work for me. -S. H.)

ConocoPhillips Spirit 1 is located at 935 North Eldridge Parkway, Houston TX 77079. The complex is on the south side of I-10 off North Eldridge Parkway. Should you have any questions regarding your visit, please contact your host or the ConocoPhillips Spirit 1 Registration desk at 281-206-5008. The link below provides further details.
